**20 May 2010 (Thursday)
Fairmont Singapore
Stamford Ballroom**

Eurekahedge is pleased to announce that the annual Asian Hedge Fund Awards will be taking place on 20 May 2010 (Thursday) at Stamford Ballroom, Fairmont Singapore in Singapore with a black-tie theme.

Last year's event was an overwhelming success with leading figures in the alternative investment industry coming together at the Asian Civilisation Museum. Despite market conditions at the beginning of 2009, the Asian hedge fund industry saw almost 100 new launches last year and we are continuing to see considerable start-up activity and capital inflows in 1Q2010.

This year's celebration of the great and the good in the Asian hedge fund space promises to be an excellent night with old friends and new acquaintances. There are only a limited number of awards and tables available so please do contact us early to seal your participation and avoid missing out.

For all interested sponsors and participants, please contact us at awards@eurekahedge.com or call +65 6212 0925 for more details.
